George S. McGrew is authorized to and receipt for bills due this office.

party he had led. The party was ing American of his time. left, it is true, and with its forces scarcely diminished, but scattered by the terrific blasts of civil commotion; and where was the hero to marshal anew its strength for fresh struggles and fresh victories? The first terrihie lessons of civil war had sobered the country, and in 1862 the Democratic party in a great measure reasserted its wonted supremacy in the great states of New York. Pennsylva-beating heart in dread of some terrifor that year in all of these states were adverse to the lawless faction then in power, and it looked as if the country was to be rescued from its destroying clutches. But alse! no to use the tool ready furnished to his a frightful panorama of horrors it hand. The grand opportunity was frittered away in New York by the mour, who, learned, eloquent and plausible, and a skillful enough leader in ordinary times, was utterly helpless when brought face to face with the momentous political crisis logue of casualties from the hostile elements of fire, air and water—as a por servant girl burned to death by of the proper stuff, to have put an exploding lamp, the hope of a control of areas and stripped to the waist. Life was promise was resorted to thus; stripped to the waist. Life was promise was resorted to thus; stripped of the proper stuff, to have put an exploding lamp, the hope of a control of areas and stripped to the waist. The body of Gen. Canby an exploding lamp, the hope of a control of areas and stripped to the waist. The body of Gen. Canby an exploding lamp, the hope of a control of areas and stripped to the waist. The body of Gen. Canby and stripped to the serial and ciotnes. A composition of the proper stuff, to have put an exploding lamp, the hope of a control of the proper stuff, to have put an exploding lamp, the hope of a control of the proper stuff, to have put an exploding lamp, the hope of a control of the proper stuff, to have put an exploding lamp, the hope of a control of the proper stuff, to have put an explosion of the nerelated, a long of the nerelated by the long of the long of the nerelated by the long of the nerelated by the long of the nerelated by the long of the long of the long of the long the people elected him; but once in the gubernatorial chair, his whole efforts were directed to maintaining cious human lives, driven to pieces became a most efficient ally of the war-party, and enabled that party to enforce the draft in New York, which was the turning point of the struggle.

Was the turning point of the struggle.

The Screetary of the Interior to-morning are set up in the cities, villages and towns throughout the struggle. administration, and in this way he For when the authorities found that the defeated ranks of their armies could be filled by unresisted drafts, they could well say the subjugation of the South was only a question of time. Nor were the Ohio Democrats better off under the leadership of Vallandigham. Brilliant, energetic and obstinate in the assertion of his opinions, this ambitious demagogue undoubtedly possessed many elesuch a scene clings to us for years, meuts of character which qualified and the mind recurs to it as to some him to act as a party leader in stormy times; but his selfishness, his thirst Yet these scenes are daily reproduced nate greediness for office, prevented him from rising to the full dignity and requirements of the times. And
